

Write a college-level essay on Phillis Wheatley

Phillis Wheatley was a remarkable African American poet who lived during the colonial era in America. Despite being enslaved for most of her life, she was able to achieve a level of literary success that was almost unheard of for women, let alone African Americans, during her time. Her poetry was widely celebrated for its beauty and elegance, and she became a symbol of hope and inspiration for many African Americans struggling for freedom and equality.

Phillis Wheatley was born in West Africa around 1753 and was brought to America as a slave when she was just a child. She was purchased by John Wheatley, a wealthy Boston merchant, who recognized her intelligence and curiosity and decided to educate her alongside his own children. Wheatley quickly showed a talent for language and literature, and by the age of 12, she was reading Greek and Latin classics and writing her own poetry.

In 1773, Wheatley's first volume of poetry, "Poems on Various Subjects, Religious and Moral," was published, making her the first African American to have a book of poetry published.
